Summary of Legislation: This bill allows school corporations to pay educational service center dues from any school corporation fund.

Effective Date: July 1, 2010.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: The bill would increase the flexibility of schools in paying their education service center dues. The impact would depend on local school action. The 2009 budget bill requires a minimum contribution of \$3 per student for participating school corporations. There are approximately 647,700 students serviced by the nine education service centers. The minimum dues would be approximately \$1.9 M per year.

Background: The state has nine education service centers serving the 92 counties in Indiana. There are 262 schools participating in the program. The state appropriated \$2.1 M for FY 2010 and \$1 M for FY 2011 for education service centers.
